

Part Number: VUPN2287

Size & Dimension

Specs:

- Output Current: 100A
- Repetitive Peak Reverse Voltage(VRRM): 1600V
- Repetitive Peak Inverse Current(IRRM): 10mA
- Isolation Voltage(Viso): 2500VAC
- VTM: 1.45V
- ITM: 100A
- Phase: Single Phase
- Terminals: 4
- Max. Junction Temperature: 150 Cel.
- Weight: 0.9oz (25g)

NOTE: This is a special order item that is not stocked by Vetco.

Special order items are not ordered or reserved until an order is submitted/completed and full payment is received.

Special order items are non-cancellable, non-returnable, and non-refundable for any reason.

Of course, Vetco will always cover situations where any factory defect is present that causes the item to be unusable. Some special order items are rare or hard to find, which means they may be used and also may disappear before we have a chance to purchase them for you, if the order is not paid for as soon as possible! All items are inspected before being released to the customer.
